

Pracownia Wokalna prezentuje:

[Zapowiedź:

Witamy Was wszystkich serdecznie na pierwszym koncercie z cyklu „Spotkania z piosenką”. Postanowiliśmy wyjść z muzyką poza Pałac Młodzieży. Pomysł na taką formę prezentacji powstał podczas naszych zajęć. Jest to również dla nas motywacja do dalszej pracy artystycznej. Zapraszamy do wysłuchania tego, co dzisiaj dla Was przygotowaliśmy.]

1. Weronika Ochał - „Lovesong”

[Tekst utworu:

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you]

2. Anna Trybuła - „Black Velvet”

[Tekst utworu:

Mississippi in the middle of a dry spell
Jimmy Rogers on the Victrola up high
Mama's dancin' with baby on her shoulder
The sun is settin' like molasses in the sky
The boy could sing, knew how to move, everything
Always wanting more, he'd leave you longing for

Black velvet and that little boy's smile

Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please

Up in Memphis the music's like a heatwave
White lightning, bound to drive you wild
Mama's baby's in the heart of every school girl
"Love me tender" leaves 'em cryin' in the aisle
The way he moved, it was a sin, so sweet and true
Always wanting more, he'd leave you longing for

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please

Every word of every song that he sang was for you
In a flash he was gone, it happened so soon,
What could you do?

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please

Black velvet and that little boy's smile
Black velvet with that slow southern style
A new religion that'll bring ya to your knees
Black velvet if you please
If you please
If you please]

3. Marcin Lasocki „Angels”

[Tekst utworu:

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me

When I come to call, she won't forsake me
I'm loving angels instead

When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead]

4. Julia Czarnul - „Dreams”

[Tekst utworu:

Now here you go again
You say you want your freedom
Well, who am I to keep you down
It's only right that you should
Play the way you feel it
But listen carefully
To the sound of your loneliness

Like a heartbeat drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
And what you lost

Thunder only happens when it's rainin'
Players only love you when they're playin'
Say women, they will come and they will go
When the rain washes you clean, you'll know
You'll know

Now here I go again
I see the crystal visions
I keep my visions to myself
It's only me who wants to wrap around your dreams
And have you any dreams you'd like to sell?
Dreams of loneliness

Like a heartbeat drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
Ooh, what you lost

Thunder only happens when it's rainin'
Players only love you when they're playin'
Women, they will come and they will go
When the rain washes you clean, you'll know
Oh, thunder only happens when it's rainin'
Players only love you when they're playin'
Say women, they will come and they will go
When the rain washes you clean, you'll know
You'll know
You will know
Oh, you'll know]

5. Maria Bajda - „Another Love”

[Tekst utworu:

I wanna take you somewhere so you know I care
But it's so cold and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last spring

And I wanna kiss you, make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

And if somebody hurts you, I wanna fight
But my hands been broken, one too many times
So I'll use my voice, I'll be so freaking rude
Words they always win, but I know I'll lose

And I'd sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry I wanna learn to love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

I wanna sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry, I wanna fall in love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up]

6. Natalia Nowerska - „Tears in Heaven”

[Tekst utworu:

Would you know my name
If I saw you in heaven?
Would it be the same
If I saw you in heaven?
I must be strong and carry on
'Cause I know I don't belong here in heaven

Would you hold my hand
If I saw you in heaven?
Would you help me stand
If I saw you in heaven?
I'll find my way through night and day
'Cause I know I just can't stay here in heaven

Time can bring you down, time can bend your knees
Time can break your heart, have you begging please, begging please

Beyond the door, there's peace, I'm sure
And I know there'll be no more tears in heaven

Would you know my name
If I saw you in heaven?
Would you be the same
If I saw you in heaven?

I must be strong and carry on
'Cause I know I don't belong here in heaven]
